5/6A Buddy Class with Prep B

At Bribie Island State School, we provide opportunities for students to develop a dynamic peer led program with a buddy class. Our upper school student leaders learn the importance of fostering positive interactions between lower school students in an engaging educational session. They are empowered with the skills, understanding, attitude and strategies to improve leadership attributes to support our positive school culture. Most importantly our upper school students develop key skills in resilience, assertiveness, decision making and problem solving. Last Monday was our first session of meets and greets. We did a cut and paste 'name on rainbow' activity, finishing off with some outdoor activities where the 5/6A students taught their prep buddies how to play a game.

Home Reading

BRIBIE ISLAND STATE SCHOOL

Home Reading

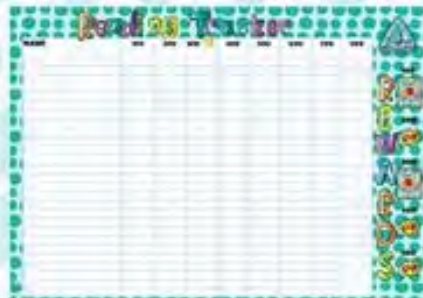

Developing a love for reading and time management skills is our homework focus.

Each year I receive my own Home Reading Tracker as my homework!

It is my responsibility to track my reading experiences.

	Book Title	Comments	Date
✓ 1	Harry Potter: Chamber of secrets (OK)	Very similar to the movie	25/01
✓ 2	Shopping List	Went to Woolies with Mum	25/01
✓ 3			
✓ 4			

Each Friday I will return my tracker and share my reading interests and experiences with my teacher.

I earn books and tuckshop vouchers for reaching reading milestones!

My class may also have additional rewards to earn.
