A huge thank you to Mrs Hayward for all her guidance, support, and patience in the lead up to, and over the weekend for the 'All Schools Redlands Touch Tournament'. Despite facing some incredibly inconsistent weather, our touch football teams gave it their all on the field. A special congratulations goes out to the A Team, who put on a fantastic performance to qualify for the grand final; official runners-up 2026.
Special mention to Ms Kopana for her additional support.

A huge congrats to our BISS Senior Boys U12's Invitational Rugby 7's Team who today completed at the Moreton Bay West Rugby 7's Carnival.
What an effort from these boys! It was HOT, in the mid 30's, and they just kept turning up for each other all day and played their hearts out for Bribie!

QRU referees nominated a "player of the game" for each game. Special mentions to Alby, Levi and Bobby who all received this award, Alby and Levi twice!

Very proud of all the boys and thank you to the Parents for your support!

What's the Buzz?

A big thank-you must go out to Ms Clark & Mrs Hayward who have coached our fabulous public speaking students over several terms this year. They have achieved amazing results together and we couldn't be prouder of the team! Thank-you!

What's the Buzz in 1/2D?

1/2D News

In English, we have been working on our new story, The Three Billy Goats Gruff. We have been listening to feedback from our teacher and peers and using it to improve our writing. We have focused on adding more detail to describe our characters, setting and events, helping our readers to imagine what is happening. We have also been experimenting with adding dialogue to bring our stories to life and make our characters more interesting!

In Maths, we have been using fact houses to explore the relationship between addition and subtraction. We practised turning around our addition sums and using the same numbers to work out the related subtraction facts. This helped us to build our understanding of fact families and see how addition and subtraction are connected!

1/2D News

In English, we have been editing and bumping up our Jack and the Beanstalk stories. We have used feedback from our peers and teacher to improve our writing, adding more detail and making our stories more interesting. We have also been developing our reading comprehension skills, focusing on understanding what we read and answering questions about texts.

In Maths, we have been practising skip counting, adding and subtracting two-digit numbers, and exploring the 2 times tables including doubling numbers and developing our mental maths strategies to solve problems.

Some of us didn't add quite enough magic when we planted our magic beans, and our beanstalks aren't growing as quickly as we'd hoped! We've had to cast a few extra spells this week, so fingers crossed the other beanstalks start growing soon!

Halloween Kites

HAPPY TUCKSHOP APPRECIATION DAY! 💗
We want to give a huge shout-out to our amazing tuckshop ladies, Sandy and Kyllie from Bribie Bites! 🥪🍎
You two are the absolute best of the best! The smiles, the hard work, the early starts, the endless food prep and the care they put into looking after our school community never go unnoticed.
Running a tuckshop is no small job, and we are so lucky to have two wonderful ladies who put so much love and effort into what they do.
On behalf of the Bribie Island State School P&C, our students, families and staff, THANK YOU! ❤️
We appreciate everything you do, more than you probably realise. Our school is a better place because of you both!
You're both absolute legends!

P&C News

A great initiative from our P & C - Our community wins through discounted items and the school wins also in terms of donations back to us. TIP - If you have 'The Pass' app, add BISS26 to the voucher area - and it will be saved there for each time you visit
