**PHOTO DAY
IS COMING ...**

Tuesday 18th August

Extra Curricular Group Photo Day

Orders for Extracurricular Group photos use a different process where the photos are taken first, then a customised order form is created for each student photographed.

Approximately two weeks after the Extra Curricular Group Photo Day, MSP Photography will supply an order letter for each student photographed.

The list of groups being photographed will be emailed to parents.

Please note: Students who were absent for their individual photo before the holidays, will also have the opportunity to get their portrait photo taken.

A vibrant poster for a farm excursion. The background features a red barn, a windmill, and various farm animals including a cow, a pig, a sheep, and a chicken. The text is colorful and playful, with a pink banner for 'PREP' and large, multi-colored letters for 'FARM EXCURSION!'. A yellow speech bubble says 'SO MUCH TO SEE, TOUCH AND EXPLORE!'. A blue circular badge indicates the date 'TUESDAY 21ST JULY'. A section titled 'PLEASE PACK' shows a lunch bag with a name tag 'Emily', a water bottle, and a hat. A yellow box says 'PLEASE PUT ALL ITEMS IN YOUR CHILD'S SCHOOL BAG'. At the bottom, a dark blue banner with a white envelope icon says 'PERMISSION NOTES AND PAYMENT DETAILS HAVE BEEN SENT VIA QPARENTS.'.

What's the Buzz?

This term, during STEAM Room lunchtime sessions, students will be focusing on ENGINEERING principals using LEGO and LEGO Mindstorms.

LEGO bricks serve as a powerful tool for teaching engineering concepts as they allow students to engage in hands-on learning, which is crucial for understanding complex STEAM principles.

Students can design structures, test ideas, and improve their creations, similar to how engineers and scientists' work.

LEGO Mindstorms is a robotics system that combines LEGO building blocks with programmable 'smart bricks,' motors, and sensors, allowing users to build and program their own robots.

Unlike traditional LEGO sets, Mindstorms kits are open-ended, meaning there is no single model to build; users can create their own robotic designs and program them to interact with the physical world. It is intended for children, typically ages 10 and up, although we have junior students working with these components already.

What's the Buzz?

I am excited to share that on Friday 26th June, BISS won the Caboolture Districts Senior Rugby League (u12's) Division!
This now qualifies us to participate in The Mark West Cup to be held on the Sunshine Coast.

The event is a knockout competition (6 districts) to decide the Champion Sunshine Coast Rugby League Team.

What an outstanding achievement for this group of boys.

More information to come, GO BRIBIE!

Fact Sheet

Parking around schools

8 December 2023

Vehicle parking around schools is regulated during school times with changed parking and stopping of vehicles.

Speed limits and drop-off, pick-up and parking rules exist to keep children, parents, and carers safe and to minimise speed and traffic jams around schools.

Parking

Schools are busy areas. There are often lots of children, and they do not always understand the danger of roads and vehicles. Make sure to take extra care when parking on school grounds and on the roads and streets around the school and follow the signed parking rules at all times.

Parking signs and markings

You should always check parking signs carefully near schools as they are often stricter than normal parking rules. The type of parking restriction, and the times that apply, will be on the sign.

Signs and markings you are likely to find near schools are:

- parking signs, for example, some streets near schools have 15-minute parking limits during school zone hours
- no stopping signs
- yellow edge lines where stopping and parking is prohibited
- no parking signs
- loading zone signs, used in pick-up or drop-off areas.

Parking and stopping of a vehicle

Unlawful vehicle parking is regulated under the Queensland State Road Rules which are: *Transport Operations (Road Use Management - Road Rules) Regulation 2009*.

Not all stopping and parking rules are indicated by signs or lines on the road.

A selection of relevant examples has been included to help provide some clarity regarding stopping and parking vehicles around schools.

For more information about parking and road rules, including a road rules refresher, visit the Queensland Government's Department of Transport and Main Roads website <https://www.tmr.qld.gov.au/safety>.

Drop off and pick up areas

Drop-off and pick-up areas are normally signed as per the 2 signs pictured below. These areas are only for the quick pick up and drop off your children. They are no parking zones called "kiss and go zones". All drivers must obey whatever signs are in place.

These zones are designated to create a safe environment for children and keep traffic moving.

Example "2-minute parking" sign

Example "Passenger Loading Zone" sign

Drop-off and pick-up areas are signed with passenger loading zone signs or 2-minute parking signs. These signs mean you have a maximum of 2 minutes to drop off or collect your children.
